CITY OF JASPER, ALABAMA

ASPHALT COLD MIX SPECIFICATIONS

SCOPE:

This is to establish a contract for acquisition of asphalt cold plant mix to be used by the City of Jasper, Alabama. Materials to be furnished in the mix as indicated and delivered to job sites citywide and/or at the vendor's plant. The material to be furnished in such quantities as the City has need. If not stated, all materials furnished under this contract shall conform to the requirements of the current edition of the State of Alabama Department of Transportation standard specifications for highway construction and supplemental specifications and special provision in effect at the time of bid opening.

All bids may be held for a period of sixty days after bid opening before awarding the contract. Bids will be evaluated by item and/or total and may be awarded by item, group or total whichever is in the best interest of the City. The contract period shall be for a twelve-month period from the date of the contract award with an option to issue a second and third contract with the same pricing, terms and conditions and agreement by both parties for a second and third twelve-month periods.

Vendors are requested to submit bids on the basis of: (1) Price per ton F.O.B. job site delivery; (2) Price per ton F.O.B. vendor's plant, loaded by vendors in City's representative truck. Bidders are not required to bid on every item listed. Vendor must furnish weight with each delivery of material. Vendor must be able to supply order within twenty-four (24) hours after receipt of order.

The Contractor shall make application for and obtain necessary permits and licenses from the appropriate governing body. The Contractor shall give all notices necessary and incidental to the prosecution of the work. The Contractor shall not assign, transfer, sub-contract, or sell any portion of this contract unless permission is first given by the City Representative.

The City may, at its option and discretion, terminate the contract at any time, in whole or in part, without any default on the part of the Contractor, by giving written notice to the Contractor at least five (5) calendar days prior to the effective date of the termination.

This Agreement may be terminated by the Contractor by giving thirty- (30) calendar days advance written notice. The City reserves the right to accept or not accept a termination notice submitted by the Contractor, and no such termination notice submitted by the Contractor shall become effective unless and until the Contractor is notified in writing by the City of its acceptance.

Whenever in this invitation, any particular material, process and/or equipment are indicated or specified by patent, proprietary or brand name, or by name of manufacturer, such wording will be deemed to be used for the purpose of facilitating description only, and will be deemed to be followed by the words, "or equal". Bidder to show that the alternative product is, in fact, equal to the product required in the specifications must provide proof satisfactory to the City.

The City reserves the right to waive minor variances from the specifications, provided these differences do not violate the specification intent, materially affects the operation for which the item or items are being purchased, nor increase the estimated maintenance and repair cost to the City.

Bid will be awarded to the lowest responsive and responsible bidder. The determination of lowest responsive and responsible bidder may involve all or some of the following factors: price, conformity to specifications, financial

ability to meet the contract, previous performance, facilities and equipment, availability of repair parts, experience, delivery promise, compatibility as required, other costs, or other objective and accountable factors which are reasonable.

All requests for interpretation of any portion of bid may be made by telephone to the City Purchasing Agent at (205) 221-2100. All replies will be given verbally and a copy of any inquiry and advice, if deemed vital by Purchasing Agent, will be made available to each prospective bidder

All bids/proposals shall be submitted in the form and manner indicated by the bid documents and bid forms. Any bid /proposal which is not submitted in form and manner indicated which contains information, statements, conditions, or qualifications which place conditions or qualifications on the proposal submittal for the purposes of making an award, or which alter any proposal terms, conditions specifications, or forms, which has not been previously by written addendum from Purchasing Agent, or which does not meet legal requirements, shall be declared as a qualified, conditional, or non-responsive and shall be rejected. Any proposals that do not fully respond to all detailed specifications or requests for information including execution of proposal forms may be declared “non-responsive” and recommended for rejection.
