Plot Plan Requirements for Applications

A plot plan is required with all applications. Any incomplete, illegible, or inaccurate plot plans will cause a delay in the processing of an application.

The plot plan must be drawn to scale and dimensioned. For commercial projects the plot plan should be drawn by a skilled drafter or a professional surveyor, engineer or architect. For residential projects, nonprofessional builders may draw their own plans and make use of maps from the Walker County GIS system. The level of detail may vary, depending on the nature of the request, but the following items are required to be on the plan drawing:

- Name of Applicant
- Date
- North Arrow
- Scale in Feet
- Lot Size in Acres or Square Feet and Property Dimensions
- Locations, Dimensions, Floor Areas and Heights of all Structures
- Location and Dimensions of Driveways and Off-street Parking and Loading Aisles and Spaces
- Exact Set Backs of Improvement from Front Side and Rear
- Contractor Information
- Adjacent Streets, Alleys, Railroads, Water Bodies, Land Uses and Zoning Districts
- Estimated Project Cost
