## Project ATRP2-64-2025-291 Access Management Improvements, including Turning Lanes on AL-5 (US-78A) from East of Fernway Drive to West of Walston Bridge Road. Jasper, Alabama

The City of Jasper and the Alabama Department of Transportation (ALDOT) are proposing to make access management improvements. Information about the project is available to the public for review and comment on-line or in-person March 03, 2026 from 4:30 P.M. - 6:30 P.M. at Jasper Civic Center, 204 19th St. E#100, Jasper, AL 35501. Your comments may be provided by mail or email. Comments for the proposed project must be submitted by **March 17, 2026**.

The purpose of the Plan is to implement access management along AL-5 (US-78A) to help preserve roadway capacity, maintain traffic mobility and promote traffic safety both within and through the area east of Fernway Drive to west of Walston Bridge Road.

The project would require median closures, signal modifications, driveway closures, and turn lane improvements and additions.
